## Stern warning

Sir Nicholas Stern's report to the Treasury earlier this month focussed on the economics of climate change: the inevitability of global warming; its possible effects on the global economy; and what action needs to be taken now to ameliorate the situation/effects.

Following the successful Green Maze event with RIBA and BCO in September, CoreNet Global UK continues to play its part in encouraging the real estate industry to be accountable and take the lead in minimising carbon emissions ...

Sustainability is the theme of the UK Summit, Climate Change for CRE, taking place on 16 November (go to [www.sasevents.co.uk/events/cngsummit.html](http://www.sasevents.co.uk/events/cngsummit.html))

Sustainability is the criterion for a new award at the UK Awards Dinner on 8 February 2007 (go to [www.sasevents.co.uk/events/cngdinner.html](http://www.sasevents.co.uk/events/cngdinner.html))

## Landlords – don't you just love 'em?

The UK Chapter is supporting a new annual survey of occupiers' opinions and the creation of an index of occupier satisfaction.

Richard Paver, UK President, encourages end-user members to take part in the panel, to ensure that the interests of all occupiers are represented and enable the property industry to measure its performance from the point of view of its customers.

If you are an end-user and haven't yet volunteered, please contact [alicemlewis@corenetglobal.org.uk](mailto:alicemlewis@corenetglobal.org.uk).

## Did you know ...

From December, we are planning to bring you advance warning or maybe just provide a 'reminder' about new regulations coming into force.

If you know of any regulations, preferably relating to real estate, recently introduced or in the offing, do share them (by sending to [alicemlewis@corenetglobal.org.uk](mailto:alicemlewis@corenetglobal.org.uk)). Your contribution will be acknowledged!

Meantime, on a more personal level, did you know that from 18 September parents are legally obliged to make sure that children up to around 4'5" tall, or up to 12 years of age, use an appropriate child car seat ([www.thinkroadsafety.gov.uk](http://www.thinkroadsafety.gov.uk)).

## Member to member

The UK web site provides up-to-date information about the UK Chapter's activities and facilitates contact with fellow members and Board members.

We also provide presentations from past events, reports on current issues, UK Board meeting minutes and a selection of vacancies, with a link from the Members Section to Career Services on the Global web site.

On the Members Noticeboard this month: check out who has joined the UK Chapter during October.
