## **CORENET GLOBAL UK ANNOUNCES CRE AWARDS' SHORTLIST**

CoreNet Global UK has revealed the shortlist for the annual Corporate Real Estate Awards which honour the Corporate Real Estate Executive and the Partner of the Year and recognise Innovation and excellence in Sustainability.

Below is the CRE Awards' shortlist:

### **Corporate Real Estate Executive**

Peter Doran – Nokia Siemens Networks  
Chris Kane – BBC  
Lynda Shillaw – Co-op

### **Corporate Real Estate Partner**

Kathy Bone – Jones Lang LaSalle for work with Motorola  
Caroline Fitzwater – Jones Lang LaSalle for work with Microsoft  
Stephen Norris – Cushman and Wakefield for work with Nokia Siemens Networks

### **Innovation**

Simon Elmer – Cushman and Wakefield  
Pat McGill – Deutsche Bank  
Herman van Ree – Capreo Consultancy

### **Sustainability**

Simon Jackson – Gensler and Stephen Perkins – Herman Miller  
Sean Lockie – Faithfull and Gould  
Chris Seely – Skansen

The award winners will be announced at the annual CoreNet Global UK presentation dinner on 6 February 2008 at the QE11 Centre, London. This popular, annual event attracts over 700 guests involved in the corporate real estate profession and next year's event is already sold out.

The CoreNet Global UK & Nelson Bakewell Student Essay Prize will also be presented at the Awards dinner.

**Ray Carneiro, Global Head of Property and Facilities Management Services at ABN AMRO, a member of the judging panel and a former winner of the Corporate Real Estate Executive award comments:** "To win a CoreNet Award is a highly significant achievement and I am delighted with the quality of the nominations we have received this year. The entries show real value especially in the categories of Innovation and Sustainability. I believe the Awards will set new standards that all CoreNet members can aspire to."

The CoreNet Global UK CRE Awards are supported by Property Week and sponsored by Advanced Workplace Associates, AOS Studley, AtisReal, CBRE, Euroméditerranée, Jones Lang LaSalle, LandSecurities Trillium property partnerships, Michael Page Property and Construction, MWB Business Exchange, NB Real Estate, Overbury, SineQN, SEGRO and Wates Interiors.

#### **NOTES TO EDITORS**

- CoreNet Global UK is part of CoreNet Global, the world premier association for corporate real estate and related professionals. CoreNet Global UK seeks to support, inform and educate best practice in corporate real estate to meet the occupational needs of businesses in the UK.
- The UK Chapter is the second largest chapter worldwide and comprises approximately 50% end user members.
- CoreNet Global UK members benefit from a global research based service. A global industry-wide research databank, research-led, accredited educational courses and a programme of social and issues-led events not only facilitate career development, but also enable members to network, share experiences and exchange ideas with like-minded individuals. It is this global covenant, along with the research-led approach that differentiates the CoreNet Global UK Chapter from other UK industry associations such as the RICS, BCO and RIBA.

Please note that CoreNet Global UK has also re-launched its website:
